

## Letter of Recommendation

To Whomsoever It May Concern,

I highly recommend Saurabh Somani as a candidate for employment. Saurabh has worked for Media Services at Santa Clara University (SCU) as Media Systems Assistant III since September 2018. He has been a pleasure to work with, bringing his attention to detail to every project and tasks assigned to him. His problem solving, communication and people skills are excellent, which made him one of the ideal candidates for the tech support role at Media Services.

Saurabh is extremely organized, respectful, reliable and computer literate. Saurabh can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him. Saurabh was quick to volunteer to assist in other areas of Media Services operations, as well.

Saurabh would be a tremendous asset to your company and has my highest recommendation. If you have any further questions with regard to his background or qualifications, please do not hesitate to call me.

Sincerely,
